Unfortunately, we live in a society where gangs and gang violence are a reality. Certain colors, logos and fashions are associated with gangs. Students who dress in a manner associated with a particular gang may become targets for gang violence whether or not they themselves are part of any gang. For this reason, gang-related clothing is not allowed. What constitutes gang clothing changes frequently. The administration reserves the right to designate additional items as off limits.

The Dress Code is a dynamic document. Changes may be made at any time during the school year. Discretion may be used to determine appropriate attire for the classroom by the administration. Students and parents will be notified of any changes through one of the following methods: the school bulletin, parent newsletter or web page updates.
